## Drop off lane

The snow has arrived! This makes the morning drop off and afternoon pick up even more challenging. Please help us keep the drop off lane safe and efficient. In the morning, students should be dropped off along the bike rack. If you need more time or need to get out of the vehicle, please park in one of the parking spots. This will keep everyone safe and traffic moving efficiently in the morning.

## January students of the Month:

- Ashley McIntire
- Remi Ervin
- Kean Mason
- Matthew Norin
- Bauer Luken

## UPCOMING DATES

2/16 - 11:25 dismissal (K-8th grade)

2/16 - NO Pre-K

2/19 - Is a Snow Make Up Day we are in session!

## Getting to know: Mr. Mutum – Junior High PE Teacher

My name is John Mutum and I have stepped into the Junior High Health and PE instructor position. I grew up in the Iowa Quad Cities and graduated High School there. After seven years in California, I returned to the Quad Cities to finish my teaching degree at Augustana College and earned my Masters degree and the University of Northern Iowa. I worked for 21 years in the Davenport School District as a teacher and administrator. I have five grown children, 4 daughters and one son. They are all advancing in their areas and I am very proud of the adults they have become. I had the privilege of helping coach my children in various sports, including a number of years as a varsity volleyball coach. I stay active playing sports myself and am active in my faith community. I have greatly enjoyed working at Colona Grade School and appreciate the school culture and the high caliber of students at the school. I look forward to serving for years to come while continuing to meet parents and community members to become more familiar with the Colona community.
